ALL SET TO GO

Whether you're headed out for a picnic in the garden or taking your supper to go, cut out the need for plastic cutlery by investing in a reusable **BAMBOO UTENSIL SET** from To-Go Ware instead. Each set includes a fork, knife and spoon, plus a pair of chopsticks, all neatly stored in a colourful carrying case made from recycled plastic water bottles. **\$13.97, visit to-goware.com to locate a retailer near you.**

TIP
Stop fertilizing
six weeks before
the first frost
so plants can
harden off.

A GARDEN-HEALTHY DIET

Couldn't we all use a little mid-summer pick-me-up? Turf Revolution's Green Revival 8-1-6 is the perfect boost for your lawn and garden. It contains corn

gluten meal, potassium, sulphur, nitrogen and magnesium. Also, this slow-release fertilizer is free of synthetic ingredients and animal by-products.
