

door and outdoor containers. Ask for Black Gold at your independent garden centres throughout British Columbia and Alberta.

Coming to a backyard near you! Van Isle Water Dance is the only fully choreographed, all-in-one water and light show on the market today. Its revolutionary design combines music, water & light to create a dynamic outdoor experience. Easy to install and operate, Water Dance includes three pumps, a fountain basin, 8 LED lights, controller, memory card containing the choreographed music, plus a handy remote control. All of these components come in one box with no special tools required for installation. www.vanisewater.com

Turf Revolution's All Natural Revive & Thrive 2-0-2 with Asco 3 in 1 Topdressing and repair contains 50% compost, 10% certified seed blend and 40% 2-0-2 with Asco fertilizer. Asco (aka *Ascophyllum Nodosum* 100% marine plant extract) can improve seed germination and increase

root development. Expect new seed growth in 7 to 10 days. All natural Revive & Thrive consists of 10% Kentucky bluegrass, 10% Creeping Red Fescue and 80% Perennial Rye Grass, all certified seed. Perennial Ryegrass contains high endophyte to aid in the prevention of surface-feeding insects. Visit our website to find a retailer near you. www.turfrevolution.com

Veseys' new Tabletop Grow Light has a sturdy, space saving aluminum stand with adjustable height control and a low profile light fixture. Two high-efficiency T-5 fluorescent bulbs produce more bright, full spectrum light than old style fluorescents, yet use 20% less electricity. An attractive black finish and compact footprint make this grow light suitable for year-round use on a countertop or side table. Perfect for the production of your own crop of micro greens each day of the year. Now it is easier than ever to give your seedlings all the light they need for healthy vigorous growth. It is also suitable for indoor plants and as a starter light for annuals in the spring.

You don't need superhero strength to lift Universal Castings' products! The team at Universal Castings is committed to creating cast stone planters and statuary with the smallest environmental impact. We successfully created a new casting material – LeanCrete™ which includes a 5 year warranty.

LeanCrete™ delivers significant improvement over traditional materials: LIGHTER – easier to handle, less expensive to move. STRONGER – natural stone is more resistant to cracks and chips. MORE DURABLE – products last longer even in harsh weather conditions. It's a no-brainer – choose Leancrete™! Contact us at www.universalcastings.com or call 1-888-998-2278.☼
